

Profile Summary

I'm a .NET Developer with hands-on experience in C#, ASP.NET MVC, .NET Core, and SQL Server. I completed a 6-month .NET training program and have been working in a development role for the past 3 months. I have experience building web applications, creating APIs, and writing clean, maintainable code. I'm a fast learner, motivated to improve my skills, and excited to contribute to real projects and team environments.
